## UUFPParent/Guardian Expectation and Permission Form

The Religious Education Committee is committed to offering a stimulating, safe, inviting, and collaborative religious education. Our religious education program is a cooperative effort, and volunteers staff all Religious Education classes and activities. You, as parents/guardians, play a significant role in the religious education of our young people. Your active participation is encouraged as we share this important responsibility. Here are some guidelines for involvement in the Religious Education program:

**Come regularly.** Children develop a sense of belonging by attending regularly. Most of the curricula we use are cumulative, and regular attendance will help them deepen their understanding of the material covered.

**Arrive on time and pick up on time.** Please be on time picking up your children--this promotes safety and is courteous to our volunteer teachers. All children should be picked up no later than 5 minutes after the Sunday Service is dismissed.

**Introduce yourself to your children's teachers.** The Religious Education Administrator and the volunteer staff want to hear from you. Look over the available literature and follow the activities of your child's class.

**Help your child to observe appropriate rules for behavior at church.** We believe that children need classrooms where they will be safe and feel respected. Accordingly, behavioral difficulties will be discussed with parents/guardians, so parents/guardians, teachers and ministers can address these situations together.

**Parents/guardians will be asked to help.** All families are asked to volunteer for specific jobs that help make the entire RE program run smoothly. This includes teaching, being a class parent or helper, assisting with special events, and serving on committees. Teachers follow a school year schedule. If you have not already indicated how you would like to participate this year, please expect calls asking for your help. We thank you for your dedication to the Religious Education program--it could not happen without your ongoing involvement. We also ask that your commitment to these programs be reflected in your annual pledge to the UUFPP.

**I have read and understand what is expected of my family and me.**
